NEWSLETTER SUMMER 2025

Wishing everyone a very
Merry Christmas and a very
happy and prosperous New
Year.

As a publishing house, we
are growing, and this year
we welcomed two new
authors, Rosemary Kariuki
and Val Stewart. We are
excited to have Rosemary
and Val join us here at Tiffany
House Australia, and we
look forward to their future
contribution to the world of
books.

Introducing our new authors to Tiffany House Australia.

Rosemary Kariuki OAM is the multicultural community liaison officer for the Campbelltown Police, specialising in supporting migrants facing domestic violence, language barriers, and financial hardship. In 2021, Rosemary's efforts earned her the Australian of the Year – Local Hero and NSW Local Hero awards. Her own experiences have motivated her to assist migrant women in connecting with their community, helping to reduce the isolation that often accompanies relocating to a new country.

Val lives in Southwest Sydney, where in 2008 she pioneered a charity to support domestic violence survivors and the homeless. In 2023, Val was awarded the Order of Australia Medal for her tireless work over 40 years. Val is a gifted Bible teacher, has been involved with Christian Women Communicating International for over 40 years, and speaks internationally, leading women into an intimate knowledge of God and His love for them. Val has been married for 59 years to Brian and has three married children, eleven grandchildren and three great-grandchildren.

Macarthur Writers Forum

Founded by Glenn Cossar (of Tiffany House Australia).

The forum is a new place to promote local authors and inspire young writers to explore the world of writing, books and publishing.

Macarthur Writers Forum was launched in September 2025 at “The Ask an Author” event at the Alkalizer Café in Campbelltown, showcasing five local authors.

Following the success of this event, several opportunities will take place in 2026.

New releases for 2026

We have nine new releases for the coming year.

Rosemary is releasing her book on the importance of values in a people pleasing world.

Glenn is completing three children's books and a sequel to his first book, titled "Rebuilding the Village", based on society's departure from village life over the centuries and the benefits of reconnecting to that way of life.

Dave Poulton has two new releases. The first release will tackle the subject of losing your grip in a world of sifting sands and the other is an exposition of Romans 7&8

Jenny has two titles that have been a long time coming and hopes to have them released during her busy schedule.

THOUGHTS ON CHRISTMAS

WE LIVE IN A POSTMODERN WORLD WHERE THE PREVALENT THOUGHT IS HUMANISTIC. BUT WE CAN LEARN FROM THE WISE MEN OF THE EAST WHO BROUGHT THEIR GIFTS TO THE NEW KING BORN IN A MANGER. JESUS WAS BORN INTO HUMBLE CIRCUMSTANCES, AND HE STILL LIVES IN THE HUMBLE HEART WILLING TO GIVE HIM A PLACE IN THEIR LIVES.

OUR HEARTS ARE WITH THOSE AFFECTED BY THE RECENT ATROCITIES AT BONDI, ALONG WITH THE TWENTY THOUSAND STRONG AT THE DAY OF REFLECTION, WE TOO, STAND WITH OUR JEWISH FAMILY.

WE AT TIFFANY HOUSE AUSTRALIA WISH EVERYONE A VERY BLESSED CHRISTMAS AND A HAPPY AND PROSPEROUS NEW YEAR.
